

Hosanna Christian School Dress Code

Proper attire for school and school sponsored activities

At Hosanna all clothing must be:

- **Appropriate** – This generally means clothing is to be worn for the purpose for which it was designed. Clothing which is appropriate in one setting may not be appropriate for the school environment. Clothing and grooming should not attract undue attention or be disruptive to school procedures. All appearance should represent a likeness to modest, business setting apparel.
- **Neat/Clean** – This generally means clothing that is clean and in good repair.
- **Modest** – This generally means moderation. For all types of dress, the fabric, style, cut, occasion, etc. are to be taken into consideration so that the final results are that of modest dress for both young men and women. Refer to the “No Show Zone”.

Because styles change, the administration reserves the right to define more specifically what is in good taste. Final interpretation as to the appropriateness of a student’s attire and grooming rests in the hands of the school.
